80 Vintage Vehicles

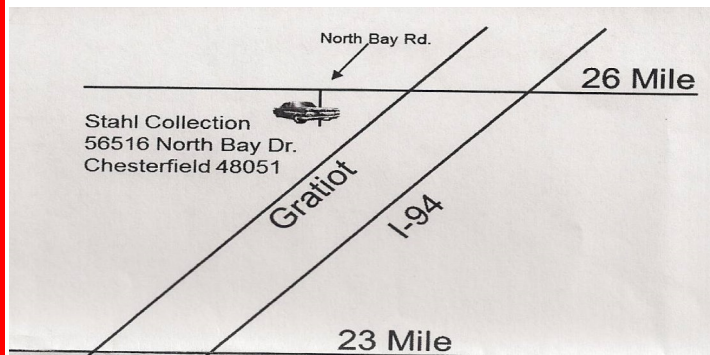

Music Room

The Stahls Automotive Foundation was created to build an appreciation for history. A visit will take you back to a time when cars and musical instruments demonstrated special creativity and imagination.

Over 80 vehicles and dozens of musical instruments are on display, such as a 1912 Rolls Royce Silver Cloud, a 1918 Tucker, a 1923 Duesenberg, an original and Wurlitzer Theater Organ and a 1924 Martier 92 Key Dance Organ.

We hope to see you at this spectacular assemblage of vintage automobiles. \$10.00 p/p **Optional lunch to follow.**
